## YOUR ABILITY TO WITHDRAW FUNDS

### POLICY STATEMENT

It is the policy of HEFCU to fully comply with all provisions of the EFAA as implemented by Regulation CC and to exercise ordinary care and act in good faith in its compliance. The requirements of Regulation CC do not affect the credit union's liability as a paying financial institution under the Uniform Commercial Code, or other law.

Certain institutional and governmental checks will be given immediate availability to members. HEFCU will delay the availability of deposited funds until the second business day after deposit. In certain circumstances, the credit union may extend the hold period an additional five business days.

### NEXT-DAY AVAILABILITY

In all cases, the following types of deposits to transaction accounts will receive next-day availability:

- Cash (see exceptions below)
- Electronic payments (wire transfers, automated clearinghouse credits, etc)
- US Treasury checks
- US Postal Service money orders
- Federal Reserve and Federal Home Loan Bank checks
- Checks drawn by a state or unit of local government
- Cashier's, certified, and teller's checks (subject to verification)
- On-us checks
- Checks drawn on member healthcare facilities

### EXCEPTIONS

Exception holds may be imposed in one or more of the following situations:

- There is a specific reason the credit union feels the check is uncollectible.
- Check deposits total more than \$5,525 on any one day. (Delayed availability may only be applied to the amount over \$5,300.)
- A previously returned check is redeposited.
- The account has had frequent overdrafts during the last six months.
- The account is less than 30 days old (defined as a "new account").
- An emergency situation exists such as a communications or computer failure.

### ADDITIONAL EXCEPTIONS

**ATM DEPOSITS:** All deposits to HEFCU owned and foreign ATMs are subject to a delay on availability of funds. Since the nature of the incoming deposit cannot be verified, a minimum hold of five (5) business days will be placed after the date of deposit; this includes cash deposits. Deposits of more than \$5,525 are subject to longer holds.

**NEW ACCOUNTS:** For the purpose of this policy and as defined by Regulation CC, a new account is a member's transaction account that has been in existence with this credit union for less than 30 days. The following conditions apply during the first 30 days to transaction accounts that meet this definition:

- Funds from deposits of cash and electronic payments will be made available on the day we receive deposit.
- Funds from deposits through wire transfers and the first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's and federal, state and local government checks will be available on the first business day after the day of deposit. The excess over \$5,525 will be made available on the seventh business day after the day of deposit.
- Funds from all other check deposits will be available on the ninth day after the day of deposit.

### PAYMENT OF DIVIDENDS

The credit union will begin accruing dividends on dividend-bearing transaction accounts on the business day it receives credit for the deposited funds.

**TRUTH-IN-SAVINGS DISCLOSURES** *This schedule sets forth conditions, fees and charges applicable to member accounts at Healthcare Employees Federal Credit Union. Each account holder agrees to the terms set forth herein and acknowledges that it is part of the Membership Account and Agreement.*

**Nature of Dividends** Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

**Compounding and Crediting** Dividends will be compounded Quarterly and will be credited to your account Quarterly. If you close your account before dividends are credited, you will not receive accrued dividends.

**Balance Computation Method** Dividends on this account are calculated on the Average Daily Balance method (ADB). Daily means that a daily periodic rate is applied to the principal in the account each day. ADB means that the Average Daily Balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

**Date Dividends Accrue** Dividends will begin to accrue on the business day you deposit non-cash items (e.g. share drafts) to your account.

**Par Value of Shares: Dividend Period** The par value of a regular share in this Credit Union is \$10.00. The dividend period of the Credit Union is a Quarter, beginning on the first of the Quarter and ending on the last day of the Quarter.

**Insurance** Member accounts in this Credit Union are federally insured by the National Credit Union Share Insurance Fund up to \$250,000 per member.

**Regulation D Transaction Limitations** During any month, you may not make more than six (6) withdrawals or transfers to another HEFCU account of yours or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction. If you exceed the transfer limitations set forth above in any statement period, your account may be subject to closure by the credit union or to a fee of \$5.00 per item. This fee does not apply to ATM Withdrawals (see Fee Schedule on reverse side for ATM Fees).

**Holiday Club and Vacation Club Only** Any withdrawal prior to maturity of the club must be a withdrawal of the entire account balance and closure of the account and is subject to a fee.

**Regular Share Accounts Only** During any calendar quarter, you may not make more than four free withdrawals.
