<b>Disclosure</b>	<p>By participating in the Skip-Payment program, all borrowers agree and understand that finance charges will continue to accrue during the month skipped. There is a fee of \$35 for each month skipped per loan for this service. If you have ACH payment setup to pay your loan directly, it is your responsibility to notify the other financial institution that is transferring the funds to stop payment for the month you skip your payment. I/We further understand if I/we experience a loss or unrecovered theft of my/our automobile and have purchased Guaranteed Asset Protection (GAP) coverage, a skip-pay may reduce my/our GAP coverage by the amount of my/our monthly payment for each skipped payment plus the skip-payment fee.</p> <p>To be eligible, the loan must be open for a minimum of 180 days, Members must have a minimum share balance of \$10, not be delinquent on any loans with the Credit Union, not currently have a deferred payment, and not have any negative balances in any accounts with the Credit Union.
